Dear Carl:

I would like to thank you personally for the support given by you and your staff to our annual Senior Chill Out. The generous PSA production and schedule along with news coverage of the event and the dangers of heat-related health situations for seniors played a tremendous role in the success of the event.

This year's event brought in 84 air conditioners, 196 fans and \$6,366.56 to help seniors beat the heat. I would also like to especially thank you for the \$1,000 donation from the WEAR Communities Caring at Christmas fund.

Carl, we are very fortunate to have such a community-minded station in our community. Without WEAR's promotional support, sponsorship and the active involvement of your staff in community efforts, many worthy causes and organizations would not be able to meet the needs of those they serve.

Most appreciatively,

John B. Clark
